

Accessory Pillows I 9239

Does this pattern include instructions for adding a zipper to the pillow with welting and/or fringe? I would like my fringed/welted deco pillows to have zippers.

The pillow patterns have instructions for cord, fringe, and a Velcro® opening.

This pattern calls for ½” Velcro® tape for it’s closure, but I cannot find that size anywhere? Is this a typo on the instructions, or can you refer me to a retail supplier of ½” Velcro® tape?

You can use 1” Velcro® and trim it to ½”, or trim the ¾”. The seam allowance for the pattern is only ½”.
