

TIP OF THE MONTH JANUARY 2010

TECHNICAL ASSISTANCE

This helpful tip for the New Year serves as a reminder that you can click on Technical Assistance on our website and then each pattern number in question. Scroll through the questions and answers that have been documented over the years. This can be both enlightening and entertaining.

You are also invited to continue asking questions at support@mfay.com or the M'Fay Patterns section of the Custom Home Furnishings forum (<http://www.chfschool.com/forum.php>).

Everyone at M'Fay Patterns wishes you a most prosperous and Happy New Year!
